

THE SCOTTISH CREDIT AND QUALIFICATIONS FRAMEWORK

The Scottish Credit and Qualifications Framework (SCQF) is Scotland's national qualifications framework. The SCQF supports lifelong learning and can help:

- people of all ages and circumstances to access appropriate education and training over their lifetime, so as to fulfil their personal, social and economic potential
- employers, learners and the general public to understand the full range of Scottish qualifications, how qualifications relate to each other and to other forms of learning, and how different types of qualification can contribute to improving the skills of the workforce.

The SCQF helps describe both programmes of learning and qualifications, support the development of progression routes and maximise the opportunities to transfer credit points between qualifications.

The SCQF also helps to illustrate the relationships between Scottish qualifications and those in the rest of the UK, Europe and beyond, which can clarify opportunities for international progression routes and credit transfer.

For more information on the SCQF, visit www.scqf.org.uk or contact the team on **0845 270 7371**.

For information on the SCQF level and credit points for learning programmes which have been credit rated, search the SCQF database at scqf.org.uk/the-framework/search-database/.

THE SCOTTISH CREDIT AND QUALIFICATIONS FRAMEWORK

This Framework diagram has been produced to show the mainstream Scottish qualifications already credit rated by SQA and HEIs. However, there are a diverse number of learning programmes on the Framework, which, due to the limitations of this format, cannot be represented here. For more information, please visit the SCQF website at www.scqf.org.uk to view the interactive version of the Framework or search the Database.
